

Help The City of Norfolk Build A Playground In One Day! Exciting Volunteer Opportunity

Play is a crucial factor in the overall well-being of children. It affects the level of quality of life they will enjoy. The children of Denby Park need a safe, clean, and fun place to play and the adults need an enjoyable place to gather.

We need your help.

The City of Norfolk has partnered with **KaBOOM!**, a national, nonprofit organization dedicated to helping communities build safe, fun playgrounds where they are needed most, and **The Chrysler Foundation** to build a playground in the Denby Park community. This site will become a new City park open to all neighborhood children.

We will build this playground in ONE day! In order to provide this wonderful play space for our children and community we need plenty of volunteers. Construction skills are not necessary. Volunteers are needed to assemble the playground, help with clean up, entertainment, food and more. Children's activities, entertainment and refreshments will be provided.

- **Where:** 352 San Antonio
- **When:** August 21, 2008
- **Time:** 8:30 a.m.—2:30 p.m. (rain or shine)
- **What:** Build a playground in ONE day!

To get more information and to volunteer, call Melinda Luchun 823-4210 or email CommunityOutreach@norfolk.gov. **Pre-registration is highly encouraged.**

Playground Project Volunteer Registration Form

Name _____

Street address _____ City _____

State _____ Zip Code _____ E-mail _____

Home Phone # _____ Business Phone # _____

Can we borrow your tools? Check if you will be bringing: ___ wheel barrow ___ cordless drill
___ shovel ___ pitchfork

Will you be bringing your kids? If so, how many in the following age ranges:

_____ 0-5 _____ 5-12 _____ 12+

YOUR COMMUNITY IS BUILDING A PLAYGROUND... GET INVOLVED!

The children of the Denby Park community need a safe, clean and fun place to play and the adults need an enjoyable place to gather.

Get involved with this project and the community by attending a **DESIGN DAY** for the Denby Park Community Playground Project!

You will help design the playground with a playground designer and discuss what it will take to make this project happen.

COME JOIN THE FUN!
